Died

TODD—Sarah Lucy Todd, at her home in Lanark, Ill., on November 20, 1901. She was 61 years, 9 months and 16 days old. She was married to James Ethridge in 1858. Both united with the Brethren church October 1, 1898. Brother Ethridge was buried on November 12 and Sister Ethridge on November 22 at 1:30 o'clock in the afternoon, just one week and three days apart. Funeral at the Brethren church in Lanark by the writer.

Z. T. LIVENGOOD.

GROVE—Brother Henry Grove, aged 77 years, 10 months and 21 days. Brother Grove was for many years a member of the Brethren church, but for some time he has not been actively interested in the work of the church. He possessed many excellent traits of character that endeared him to all who came in contact with him. He was of genial disposition, a kind father, a good neighbor, an excellent citizen. Brother Grove's illness was of short duration; he contracted a severe cold, which terminated in pneumonia and ended his earthly existence in less than a week. He lived at Mineral Point for several years, where he died. May God's presence be very precious to the widow and to his surviving sons and daughters.

J. L. BOWMAN.

"The call of today is for the uplift of character, —the support of industry, education, art, and every means of culture; the encouragement of the higher life; and above all, the deepening of the religious faith of the people; the rekindling of the spirit that, clothed with her material forces, the great personality of this nation may fulfill her divine destiny."—Bishop Lawrence.

ASTHMA CURE FREE

Asthmalene Brings Instant Relief and Permanent Cure in all Cases

Sent **ABSOLUTELY FREE** on receipt of postal. Write your name and address plainly

There is nothing like Asthmalene. It brings instant relief, even in the worst cases. It cures when all else fails.

The Rev. C. F. Wells, of Villa Ridge, Ill., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and Asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, Asthma, and thought you had overspoken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full-size bottle."

Rev. Dr. Morris Wechsler, Rabbi of the Cong. Bnai Israel.
New York, Jan. 3, 1901.

Dr. Taft Bros. Medicine Co.,

Gentlemen: Your Asthmalene is an excellent remedy for Asthma and Hay Fever, and its composition alleviates all troubles which combine with Asthma. Its success is astonishing and wonderful.

After having it carefully analyzed, we can state that Asthmalene contains no opium, morphine, chloroform or ether.

Very truly yours,

REV. DR. MORRIS WECHSLER.

Gentlemen: I write this testimonial from a sense of duty, having tested the wonderful effect of your Asthmalene, for the cure of Asthma. My wife has been afflicted with Spasmodic Asthma for the past 12 years. Having exhausted my own skill as well as many others, I chanced to see your sign upon your windows on 130th street, New York. I at once obtained a bottle of Asthmalene. My wife commenced taking it about the first of November. I very soon noticed a radical improvement. After using one bottle her Asthma has disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this distressing disease.

Yours respectfully,

O. D. PHELPS, M. D.

Dr. Taft Bros. Medicine Co.

Gentlemen: I was troubled with Asthma for 22 years. I have tried numerous remedies, but they have all failed. I ran across your advertisement and started with a trial bottle. I found relief at once. I have since purchased your full size bottle, and I am ever grateful. I have a family of four children, and for six years was unable to work. I am now in the best of health and am doing business every day. This testimony you can make such use of as you see fit.

"The reformer who is fired with zeal often wants to make the world in a minute, so to say, and he chafes under the conservatism of men who will not wake up to the importance of the occasion. His love abounds, but his discretion seems not to, and thus it happens often that harm evolves where good was aimed at."—Bishop Potter.
